Digitalization in Fields of Social Work and Health Promotion

Minor | Social Media Streetwork

Speaker: **Shohresadat Mirtaheri** and **Sabina Folnovic Jaitner**

The "Social Media Bridge" project offers multilingual employment counseling to refugees in Germany on social media platforms. It also ensures that the information is data protection compliant and easily accessible, combats misinformation, and supports networks through training in their online competencies.

📅 05.07.2023 ⌚ 02:00pm - 03:30pm 📍 Alt-Reinickendorf 25, 13407 Berlin

Pfefferwerk | Digitalisation in child and youth services

Speaker: **Christine Wolf**

Pfefferwerk offers a thorough exploration of the topic "Digitalisation in Social Work". Participants have the opportunity to investigate both the specific implementation of digital processes and the associated challenges and opportunities in social work. A lively discussion wraps up the program.

📅 05.07.2023 ⌚ 03:00pm - 04:30pm 📍 Schönhauser Allee 176, 10119 Berlin*

KHSB | Digital Streetwork

Speaker: **Christina Dinar**

In this lecture, the concept of Digital Streetwork will be illuminated. Digital Streetwork is social work in digital spaces. It combines traditional street work methods with online platforms to reach young people. Counseling and preventative work are at the forefront. It is a central field of work in modern social work.

📅 05.07.2023 ⌚ 03:00pm - 04:30pm 📍 Köpenicker Allee 39, 10318 Berlin
